

Be Safe, Be Seen This Halloween!

Hey Kids! Go through this Halloween safety checklist with your parents. Have a fun and safe Halloween!

On Streets:

- **Drivers can see my costume in the dark.**
Wear a glow in the dark costume, carry a reflective trick-or-treat bag, or use flashlights and glow sticks when walking at night.
- **I trick-or-treat in a group.**
Don't go alone when trick-or-treating. Kids under 12 should go with an adult. Older kids should always go in a group!
- **I cross the streets at crosswalks and intersections.**
Stop at street corners to look left, right and left again before crossing. Never step into the street without looking to see if a vehicle is coming.

Treats:

- **An adult checks my treats before I eat them.**
Pick only wrapped candy when you trick-or-treat. Ask an adult to check all treats to make sure they are safe.

Costumes:

- **My costume is short and snug.**
Baggy sleeves or billowy capes and skirts can trip you up and catch fire if they brush against jack-o-lanterns or candle flames.
- **My shoes fit.**
Big, floppy shoes that are hard to walk in can make you fall.
- **The eyeholes in my mask are wide enough.**
Make sure your mask fits properly and the eye holes allow you to see fully. Don't wear a mask that is too loose; it can slip & block your vision.

Have a Spooktacular Halloween!
