

# Plan Your

# Escape!

- **ESCAPE PLAN:** Draw a floor plan of your home and mark the two best ways out of each room.
- **MEETING PLACE:** Mark a place outside your home where everyone can meet once you've escaped. That way you can tell when everyone's out safely.
- **PRACTICE PLAN:** Practice your plan at least twice a year. Be sure to move fast and follow your escape plan!

## **REMEMBER:**

\* Never go back inside a burning building.

\* If there is no safe way out of your home, wait by a window for rescuers. Wave a white cloth or flashlight so they'll see you!
